

POWERPLAY — Round Reference Card

1. Inception Phase

Can do:

- Pre-Market: Buy assets from the face-up Market (clockwise from Leader)

Must do:

- Draw 1 Universal Event and resolve its effects. *Events with ongoing effects stay active for the round.*
-

2. Opening Bell (Player Turns)

Can do:

- Take 2 turns each (Initiate → Action → Conclude)

Must do:

- Each player takes turns in clockwise order from Leader (2 passes)

Blitz only: 2nd turn = Market Reversal — turn order reverses counter-clockwise.

3. Call-it-a-Night

Can do:

- Convert tokens (3C=1IP, 2IP=1P)
- Thievery: Lowest Power assigns Leader Token to any player (or self)

Must do:

- Thievery if lowest Power ≠ Leader
- Market Refresh: Discard face-up assets, restock 3 L1 + 2 L2 + 1 L3
